## About This Game

In the near future, with the planet's surface rendered nearly uninhabitable, humanity takes to the skies to create new homes on man-made Arks.

Now, after a surprise alien attack leaves Ark 5 destroyed you, along with other citizens of Ark 3, are tasked with caring for survivors. One survivor is a stranded little girl who is entrusted to your care.

Unveil the story surrounding the planet, humanity, and your new companion over a period of 10 years. What will become of mankind in that time? What of your adopted daughter? Will she find happiness in such a dire future?

## FEATURES

### Explore the future world of Ciel Fledge

Learn about the inhabitants of the planet and their fate. Are they thriving in a utopia or are they close to their impending doom?

### Raise your daughter from a young age through adulthood

Despite the dire circumstances, your task ultimately is to raise your adopted daughter. Raise her well and see her grow from a child to adult over the span of 10 years.

### Limitless child raising possibility

What she will be in the future, depends on you. Implement strict parenthood and discipline or be sloppy and spoil her with affections and lack of discipline.

# SIZEBLOCK

"Hey, your hands stopped moving. I want more massaging! More, I say!"

Mayuko gave me a patronizing okay as I decided to express my dissatisfaction in a childish manner.

After enjoying the touch of her hands for a while, I suddenly thought of something. ▶
